EMPLOYEE RESOURCE GROUPS

Carnegie Mellon University

Promoting diversity, equity and inclusion to encourage cultural awareness and community engagement within CMU

Join us in supporting a more inclusive, equitable, respectful and understanding environment across all CMU campuses and locations by becoming a member of an employee resource group:

- Latine Faculty and Staff Alliance
- LGBTQIA+ Faculty and Staff Alliance
- Neurodiverse Faculty and Staff Alliance
- Sankofa Black Faculty and Staff Alliance
- Veterans Alliance

The ERGs provide an employee support system, a place for individuals to speak freely without judgement, and an opportunity to participate in outreach efforts for the local community and for other campus initiatives.

All campus members are welcome to join.
