

Please select the award for which you are applying:

Stupakoff Outstanding Research Paper Award

Presented to each of two Biological Sciences
Ph.D. students annually.

Margaret Carver Outstanding Research Paper Award

Presented to one Biological Sciences Postdoctoral Fellow annually.

This award of \$1,000 will be presented to those that are judged to have the best research paper. Students or postdocs should self-nominate by providing a copy of the submitted, accepted and/or published manuscripts to Ena Miceli. A short description of the student's or postdoc's role as an author on the paper and their CV should be included.

Name: _____ **Email:** _____

Lab: _____

Please provide a short description of your role as an author on the paper.

Email form & CV to:

Ena Miceli, Director of
Graduate Operations
