

Fall 2024 Event Calendar

Carnegie Mellon University
Career & Professional
Development Center

Tepper Meetup September 9, 2024

An in-person networking event for employers and undergraduate business and economics students.

Tartan2Professional September 9, 2024

This unique in-person event allows you the chance to meet with over 400 talented varsity athletes who are exploring their career opportunities.

STEM Career Fair (In-Person) September 10th-12th, 2024

The STEM Career Fair, organized by the CPDC, Society of Women Engineers & the College of Engineering, invites employers who are interested in meeting students for technical roles. This event will take place over 3 days and employers can select which day/s they'd like to attend.

STEM Career Fair (Virtual) September 19, 2024

This virtual career fair is for the employers who could not come to our in-person STEM Career Fair or just want a second chance at meeting with our students! This fair will focus on students interested in technical roles.

Engineering & Biotech Virtual Career Fair (Virtual) November 8, 2024

This is a great opportunity to engage with CMU students pursuing undergraduate and graduate degrees from the following departments and programs: Biomedical Engineering, Civil & Environmental Engineering, Chemical Engineering, Energy, Science, Technology & Policy, Integrated Innovation for Products & Services, Mechanical Engineering, Physics, and Materials Science & Engineering.

Spark: Start-ups and Emerging Companies November 12, 2024

Spark is an innovative in-person networking event designed to provide a platform for small businesses and early-stage start-ups to engage with Carnegie Mellon University students. Companies will have the opportunity to network, recruit our students and share information about their company story, mission, and products.
