

## Gelfand Outreach Saturday Series

Directions to

# MELLON INSTITUTE

Some of our Gelfand Outreach Saturday Series Classes are held at Mellon Institute. To get to our campus for our Saturday Series classes at the Mellon Institute, please navigate to the drop-off location on South Bellefield Avenue. The address is:

311 South Bellefield Avenue, Pittsburgh, PA 15213

1. Depending on which direction you're coming from, GPS navigation will either direct you to turn left or right off of Forbes Avenue onto South Bellefield Avenue.
2. Look for the Mellon Institute on the right side. It's the building with all of the columns.
3. There will be three doors on South Bellefield Avenue, choose the one on the left, which will be the door closest to Fifth Avenue.
4. A Gelfand Outreach staff member will greet you at the door. If not one is available at the door when you arrive, we probably just stepped away to check in other arriving students. Please call one of the numbers below if you're waiting for more than a few minutes.
5. Pickup will be at this same location. Metered street parking is available on this street and on surrounding streets.

**Trouble finding the location? Please call 412-268-1863 OR 412-268-6544.**
