

Earn a Cash BONUS When  
You Buy or Sell Your Home!

With **Real Estate Advantage**, you receive support during one of life's biggest milestones — selling or buying a home — and may receive a cash bonus\* based on the commission side of your home purchase or sale.

### How the program works

Sign up by calling **800-396-0960** or visit [www.RealEstateAdvantageProgram.com](http://www.RealEstateAdvantageProgram.com) to speak to a Real Estate Advantage Program Specialist who will offer support and guidance throughout your entire transaction.

You will be matched with a local real estate agent from one of the most recognized brands in real estate.

Receive a **cash bonus\* of 20%** of the transaction side commission after you close on your home with the program introduced real estate agent.

\*The cash bonus is offered in most states. In some states, a gift card or commission reduction at closing may be provided in lieu of the cash bonus. The program is not available for employer-sponsored relocations or transactions in Iowa or outside the United States. The cash bonus is not available in Alaska and Oklahoma. In Kansas and Tennessee, a MasterCard MAX gift card will be issued. In Mississippi, New Jersey, and Oregon, a commission reduction may be available at closing. The cash bonus is only available with the purchase and/or sale of your home through the use of a program-introduced real estate agent. The actual amount you receive is based on the transaction side commission of the home you purchase or sell through the program. The cash bonus is not available in certain transactions with restricted agent commissions (including many new construction, For Sale by Owner, or For Sale by iBuyer transactions). Your assigned agent can help you identify any transactions where the cash bonus would not be available. All real estate commissions are negotiable. Other terms and conditions may apply. This is not a solicitation if you are already represented by a real estate broker. Please check with a program specialist for details. Program terms and conditions are subject to change at any time without notice. Additional terms, conditions, and restrictions apply.
