

BHA-DC Concentration Declaration

BXA DC Concentration Form

BHA students who are admitted as freshmen are undeclared until they have met with a DC concentration advisor and have submitted their signed DC Concentration Declaration Form. A completed Declaration Form must be approved by the DC concentration advisor and submitted to the BXA office, *by spring mid-semester break of the student's sophomore year.*

BHA students who are admitted through internal transfer must have chosen a DC concentration at the time of their application, which serves as their declaration.

BHA students wishing to change their DC concentration at any time following the initial declaration must meet with their current DC advisor and the advisor of their intended concentration area to complete a new Declaration Form, which will be reviewed during the internal transfer application period. *Changes of Declaration must be submitted prior to mid-semester break in any given semester.*

Instructions for Declaration/Change of Declaration:

- 1) *Meet with your BXA advisor to discuss BHA concentration options and pathways in DC. Any subject area in the Dietrich College may be pursued as a BHA DC concentration. If your proposed DC concentration is not among the published curricula in the [BXA undergraduate catalog](#), your BXA advisor can advise you on the expected curriculum requirements for that program.*
- 2) *Meet with the appropriate [DC concentration advisor](#) to discuss the concentration program. Collect the DC concentration advisor's signature of approval for declaring the concentration.*
- 3) *Return the completed form to your BXA advisor for signature and approval. Declaration Forms must be submitted by the end of the sophomore year and Changes of Declarations prior to mid-semester breaks. Once the form is processed, your BHA major title will be updated in SIO.*
