

Checklist for Fifth Year Scholars
2023-2024 Academic Year
Due: Friday, May 13, 2022

- I have read and understand the Fifth Year Scholars Program Policies & Guidelines document.
- I understand that the Associate Dean or other designate in my college will serve as my academic advisor for my fifth year and have discussed my plan of study with this individual.
- I understand that I must have completed my primary degree requirements before the fall of the 2022 academic year.
- I understand that I must determine the potential cost of courses or fees associated with my Fifth Year experience and not covered by regular tuition and request approval for this funding by December 1, 2022.
- I agree to meet with my project advisor by June 15, 2022 to set a timeline to work on my community impact proposal.

Upon review and consideration of the Fifth Year Scholars Policies & Procedures and the information contained above, I hereby accept my Fifth Year Scholars program offer for the 2023-2024 academic year at Carnegie Mellon University.
