

Requirements for registering for HONORS research credit:

Students must conduct an independent project and to prepare a formal thesis that is written and defended in the senior year.

The requirements for this program include:

1. F08 Cumulative GPA 3.20
2. 1 Previous Semester of Academic Research (03-445)
3. Project Approval by Research Mentor
4. Registration for 03-545 for S09
5. Oral Thesis Presentation during S09 finals period
6. Submission of a written and bound copy of approved thesis to the undergraduate programs office in DH 1320

By signing the attached form, the student acknowledges these requirements and the deadlines associated with them.

This form is due back to Becky's Office (DH 1320) before the LAST day to add courses for the semester. Forms will be accepted after this date on a case by case basis.
