**General resources**

**Carnegie Mellon’s Alumni Database**
http://www.cmu.edu/alumni/
Click on “Online Community,” then “Online Directory.” Click “Register” and follow instructions for creating username and password. Login to the Alumni database and use the custom search to limit by city and major etc. to find Alums who are working in your field. You can also search by firm name to see if there are any alums to that may be good points of contact. *note this is for information purposes, this listing are not job posting. Use it a way to network! A great tool for conducting Informational Interviews.
