

## Table Views

In Dreamweaver, you can view tables in Layout or Standard Mode.

- Choose **View > Table Mode** then, select Layout Mode or Standard Mode.  
OR
- Click the arrow on the **Insert Bar** menu and select **Layout**. Choose the **Standard** or **Layout** button.

## Inserting a Table in Layout Mode

When you are in Layout Mode, you can add layout cells or a layout table to the page.

1. Make sure you are in Layout Mode. Click the **Draw Layout Cell**  button.
2. Place the pointer on the page where you want the cell to appear and then drag to draw the cell. A table is automatically drawn to contain the cell.

## Changing Cell Alignment

When you draw a cell in Layout Mode, Dreamweaver changes the vertical alignment to Top, but you can easily change that setting.

1. Select the table cell. To change the horizontal alignment, choose from the **Horz** pop-up menu in the Property inspector.
2. To change the vertical alignment of the cell, choose the **Vert** setting from the pop-up menu.

## Adding Color to a Cell

1. Select the cell in which you want to add color.
2. Click the Bg color box  in the Property inspector and use the eyedropper to select a color.

*Note: To add color to the table select the table, then click the Bg color box.*

## Formatting a Table

Dreamweaver has predefined formats that you can apply to your table.

1. Select the table. Choose **Commands > Format Table**.
2. Choose a design scheme from the *Format Table* dialog box. Click **OK**.

## Inserting a Table in Standard Mode

In Standard Mode, you see all the rows and columns of the table.

1. Choose **Insert > Table** or click the Table icon  on the Common panel.
2. In *Insert Table* dialog box, type the number of rows and columns you want.
3. Select other table options. Click **OK**.

## Inserting Rows or Columns

If you create your table in Standard Mode, you can add rows or columns using the *Table* menu.

1. Click in the table where you want to insert the row or column.
2. Choose **Modify > Table**. From the list, choose Insert Row OR Insert Column.
