What’s the difference between Flexible dollars and the DineXtra Declining Balance Program?

Flexible dollars come as part of the dining plan you purchase, and expire on the last active day of the dining plan in the fall and spring semesters. DineXtra can be purchased in addition to a dining plan or as DineXtra alone, and it offers a 1% bonus per $100 deposit, up to 10%. DineXtra purchased during the academic year is available through the last active date of the dining plan in the spring semester. Any unused funds expire at that time. DineXtra may also be purchased during the summer. DineXtra funds may be spent in any amount and at any Dining Services location and off-campus partner location. It's easy to add DineXtra to your student account using the GET Funds website or app. Parents are also able to deposit funds into their student's DineXtra account.

How Do I Use My Dining Plan?

Dining Plans and the DineXtra Declining Balance Program are encoded on the Carnegie Mellon ID card. If your Carnegie Mellon ID card is lost or stolen, immediately contact ID Card Services at 412-268-5224 (or after hours, contact University Police at 412-268-2323).

Carnegie Mellon is not responsible for any funds expended or the use of any lost or stolen cards. Additionally, participants are responsible for any charges made or attempted on their Carnegie Mellon ID Card.
