Are you a safety-conscious individual? Submit a “safety-selfie” to EH&S for a chance to be featured in our safety presentations, publications, and on our website. Monthly winners will be randomly selected on the last Friday of each month. At the end of the fall and spring semesters, your peers will have a chance to pick the top “safety-selfie.” The semester winner will receive a prize.

“Safety-Selfie” Contest Submissions

A. “Safety-selfies” shall depict
   1) proper use of personal protective equipment (PPE),
   2) safe shop/lab/work area practices,
   3) appropriately maintained safety equipment, OR
   4) correct hazardous/universal waste storage and disposal procedures.
*** “Safety-selfies” are to show safe practices/conditions ONLY. Photos taken of unsafe practices or in unsafe conditions will be immediately disqualified and a warning/notice of inspection issued to that person or persons.
*** Only authorized photos, appropriate for all audiences, will be considered for submission into the contest.

B. Attach and email your “selfie” submissions to angelar@andrew.cmu.edu. In the subject line, type “Safety-Selfie Submission.” In the body of the email, include the category you have chosen to depict (A. 1-4) and write a one sentence caption describing what is pictured.
*** To be featured in our safety presentations, publications, and on our website, you must also sign a waiver releasing your “selfie” to EH&S: http://www.cmu.edu/ehs/media/cmu-media-release.pdf. Please complete this release and attach it to your email submission. This form must be included with each submission.

C. Monthly winners will be chosen randomly on the last Friday of each month. Submissions are due by 11:59 PM on the Wednesday immediately preceding the last Friday of the month. Any submissions received after that time will be put in the drawing for the following month. Fall and spring semester winners will be chosen by the nominees’ peers via a survey in December and May, respectively. No monthly winners will be drawn in December, May, or during the summer/winter break periods.
