## SCHEDULE OF CLASSES TASK TIMELINE

**Now Through Monday, September 26**

Get feedback from your faculty and begin building the Spring 2017 course schedule.
- View your “in progress” schedule of classes in the Student Data Warehouse System (SDW). The canned report is called Schedule of Classes Report. If you don’t have access to view this report on SDW, send email to courses@andrew.cmu.edu.
- Visit the scheduling guide to assist with S3 and processing questions such as creating a brand new course; changing titles, units, minis and creating/updating new sections. [http://www.cmu.edu/es/scheduling/index.html](http://www.cmu.edu/es/scheduling/index.html)
- Notes:
  - Be sure to enter the correct max enrollment sizes! If cross-listing, be sure to enter your departments max size for the cross-listed course. All cross-listed course max sizes will be total to assign a classroom.
  - Ask about additional technology needs from faculty. Be sure to the code this section for physically challenged faculty, cluster operating system, boards and video conferencing in the additional technology field in the S3: Sections: Sections Details screen regardless of the classroom. *This is important for Media Technology to better service faculty and for assigning correct clusters.*
  - Be sure to use standard teaching times as outlined in the standard meeting times guidelines [http://www.cmu.edu/es/forms/standard-times-fall.pdf](http://www.cmu.edu/es/forms/standard-times-fall.pdf). Courses with non-standard times requesting a registrar classroom/cluster will not be honored.
  - Send any explicit or special requests to ‘courses@andrew.cmu.edu’. Please do not assume that we know or recall special arrangements from the past.
- Check with other departments regarding cross-listed courses and fill out the cross-list form [http://www.cmu.edu/es/forms/cross-list.pdf](http://www.cmu.edu/es/forms/cross-list.pdf) AND code the additional technology field.
- Fill out the back to back form [http://www.cmu.edu/es/forms/b2b.pdf](http://www.cmu.edu/es/forms/b2b.pdf) for those faculty teaching back to back course times.

**Tuesday, September 27**
The S3 Course screens are un-accessible after this date.
