

All students who wish to receive consideration for Federal Direct Loan eligibility are required to complete and submit this form.

2012-2013 Graduate Student Loan Process Form

PROCEDURES

Note: You must be enrolled at least half time (18 units or more) to be eligible for federal student loans.

To apply for Federal Direct Unsubsidized Student Loans, please complete the required Entrance Counseling and Master Promissory Note (MPN) at www.studentloans.gov. **If you borrowed as a graduate student at CMU last academic year, you do not need to complete this step.**

Please note that if you plan on borrowing a Federal Direct Graduate PLUS Loan, this is a two-part process. You are required to complete the Grad PLUS Master Promissory Note and the Credit Application. Failure to complete either one of these two steps will result in a delay in the processing of your loan. Complete the two-part Graduate PLUS Loan Process at www.studentloans.gov. **If you borrowed a Grad PLUS Loan last academic year, you are only required to complete the application portion of the process.**

Federal loans are disbursed in two equal disbursements at the beginning of each semester with refunds being available during the first week of classes.

Should your program require that you be enrolled on a continuous basis, you may regain loan eligibility every two semesters.
