Block Housing – Important Information

This binder contains an anticipated listing of available blocks and floor plan for all of the anticipated room blocks. These blocks are subject to change at any time. Once Block Housing selection begins on Wednesday, February 24, the availability of the listed blocks will change drastically, as each group selects.

Groups whose Block Leader decides not to select a block of apartments can apply for General Room Selection after the group declines a Block Housing assignment, and before 12 p.m. (noon) Friday, February 26, 2016.

About the information contained in this binder:
- Blocks of rooms that share apartments are grouped together. Due to the fact many apartments are part of multiple blocks, once one of the block options in a particular grouping is taken, that usually means that the remaining block options are no longer available.
- “Pick-up spaces” can be added to any listed block to increase the block size. Pick-up spaces are half-filled apartments, and are gender specific. Groups with odd numbers of residents might find these spaces helpful. Pick-up spaces are often in the apartments of RAs or CAs. Residents assigned to these spaces will be required to sign a limitations form acknowledging that spaces in RA/CA apartments are not retainable.
- Additional rooms/apartments may be added or removed once consolidations occur.

Rules:
- All spaces within an apartment must be completely filled by the block group. For example, a group of 6 would not be permitted to select a block of rooms that consisted of 2 double and 1 triple apartment, since this would create a vacancy in one of the apartments.
- For Morewood Gardens, groups will be required to fill a “suite” (two adjoining rooms that share a bathroom) before being permitted to start a new suite.
- Blocks of rooms will not be split up because of requests for specific apartment types. For example, a group of 6 cannot request that 2 separate blocks of 6 be broken up simply so that all residents can have one-bedroom apartments.

Due to the large number of available rooms in Morewood Gardens, Housing Services is not pre-designating specific “blocks” of rooms. Housing Services will work with each group individually during their timeslot to work out Morewood Gardens blocks.

Groups interested in Morewood Gardens for their block should use the floor plans provided on the Block Housing website to view the available apartments. **Block Housing groups can select from available prime double or prime triple rooms ONLY.**

When selecting your rooms, please take into account rooms that share an adjoining bathroom. Blocks will be expected to fill the first “suite” (two rooms that share a bathroom) before being permitted to assign residents to a second suite. Groups cannot break up more than one suite.
