**SECTION I: For Completion by the EMPLOYEE and/or the COVERED SERVICEMEMBER for whom the Employee Is Requesting Leave INSTRUCTIONS to the EMPLOYEE or COVERED**

**SERVICEMEMBER:** Please complete Section I before having Section II completed. The FMLA permits an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a covered servicemember. If requested by the employer, your response is required to obtain or retain the benefit of FMLA-protected leave. Failure to do so may result in a denial of an employee's FMLA request. The employer must give an employee at least 15 calendar days to return this form to the employer.

**SECTION II: For Completion by a UNITED STATES DEPARTMENT OF DEFENSE ("DOD") HEALTH CARE PROVIDER or a HEALTH CARE PROVIDER who is either: (1) a United States Department of Veterans Affairs ("VA") health care provider; (2) a DOD TRICARE network authorized private health care provider; or (3) a DOD non-network TRICARE authorized private health care provider INSTRUCTIONS**

**to the HEALTH CARE PROVIDER:** The employee listed on Page 2 has requested leave under the FMLA to care for a family member who is a veteran or a current member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. For purposes of FMLA leave, a serious injury or illness means:

(A) in the case of a member of the Armed Forces -- an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank or rating; and

(B) in the case of a veteran who was a member of the Armed Forces at any time during the period of five years preceding the date on which the veteran undergoes medical treatment, recuperation, or therapy -- a "qualifying injury or illness" (as defined by the U.S. Secretary of Labor) that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed prior to the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that manifested itself before rather than after the member became a veteran. NOTE: The U.S. Secretary of Labor has not yet defined "qualifying injury or illness."

A complete and sufficient certification to support a request for FMLA leave due to a covered servicemember's serious injury or illness includes written documentation confirming that the covered servicemember's injury or illness was incurred in the line of duty on active duty and that the covered servicemember is undergoing treatment for such injury or illness by a health care provider listed above. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave.
