### SUMMARY OF PROFESSIONAL LEAVE WITH OUTSIDE SUPPORT

Approval of an application for a professional leave of absence supported by outside funds is *subject to the discretion of the department head, the dean of the college, and the provost based upon a variety of factors, including the merits of the project to be undertaken by the faculty member and the resources of the department, college, and University.* Faculty members without indefinite tenure may also request that the period of leave be excluded from the term of the academic appointment, subject to approval by the dean and department head..

Generally, professional leave supported by outside funds is granted for a one year period (or less). Faculty members may request a one year extension (for a total of two years of leave).

Faculty members are encouraged to review the Policy on Faculty Leaves as well as the exclusions from service section of the Appointment and Tenure Policy for details concerning the terms and conditions of the leave of absence.
