2009-2010 Financial Aid Eligibility Letters Process Change

In previous years, Enrollment Services has notified you of your Financial Aid Eligibility in paper letter format. This year, you will be sent an e-mail notifying you that your 2009-2010 Financial Aid Eligibility status is available on Student Information On-Line (SIO). We will no longer mail paper letters. We recommend that you print and keep a copy of your letter (and any revised letters) for your records.

Additionally with your paper letter, we would have included Financial Aid materials such as the Undergraduate Student Financial Assistance Guide, Cost of Attendance worksheet, Alternative Loan Matrix and TMS Payment Plan brochure. These materials are now available on The HUB website at http://www.cmu.edu/hub/fa/fa_award_docs.html.

Once you receive your e-mail notification, go to SIO (<https://acis.as.cmu.edu/sio/>) and sign in using your Andrew ID and password. Click on “Aid/Account” and then on “Financial Aid.” In the drop-down menu at the top of the page, select “Aidyr 2009-2010” and then click on “Award Notification.”

If you have any questions, please contact an Assistant Director in The HUB at thehub@andrew.cmu.edu.
