Retroactive Add/Drop Petition
Prior Semester

By submitting this petition, I am hereby requesting permission to add/drop a course, switch section or change units for a course after the last day of classes of the semester listed below. I understand that I may check Student Information Online (SIO) to see if the appropriate schedule changes have been made.

I have read and understand the following requirements:
Permissions Required
• Undergraduate students who add a course or switch a section after the established add period are required to obtain permission of their home Dean’s Office or the Head of their School.
• If adding a course would result in a schedule overload, the signature of the student’s advisor is also required if requested by Associate Dean/Department Head.
• Graduate students must have the permission of their department.
• If permission is granted to add a course, it is the student’s responsibility to have the instructor sign and submit the missing grade via this form.
• Adding a course retroactively may result in additional tuition assessment.

Full-time undergraduate status requires that a student be enrolled for 36 or more units. Full-time graduate student status is determined by the policy of the department.

Dropping below full-time may affect your financial aid eligibility, loan repayment status and Visa Status. Please check with The HUB prior to dropping the course.

Dropping a course(s) is not the equivalent of leaving the university temporarily (leave of absence) or permanently (withdrawal). A student wishing to remove him/herself from the university is required to submit a Leave of Absence or Withdrawal form (located on The HUB website).

International students who wish to drop below full time should consult the Office of International Education.
