

# Bachelor of Computer Science and Arts (BCSA)

*BCSA is an interdisciplinary program between the School of Computer Science (SCS)  
and the College of Fine Arts (CFA)*

## APPLICATION FOR INTERNAL TRANSFER

**Please deliver completed application to MMCH 107 by October 16, 2009**

The BCSA Program is designed for academically and artistically talented students interested in interdisciplinary studies within The School of Computer Science (SCS) and The College of Fine Arts (CFA). This is a competitive program that requires an ability to maintain a strong academic performance in both computer science and the arts. It is expected that candidates for BCSA have at least a 3.00 cumulative QPA in coursework prior to entry.

Requesting transfer into the BCSA Program is a process of gathering information about the program and carefully evaluating the possibilities in the BCSA Program with your academic passions and goals. For specific information regarding coursework, please visit the BCSA website, <http://www.cmu.edu/interdisciplinary>.

If you are interested in applying for transfer into the BCSA Program, please schedule an appointment with an SCS Academic Advisor and a CFA Academic Advisor PRIOR to submitting your application to:

Franco Sciannameo, Director, BXA Interdisciplinary Degree Programs, MMCH 107, 8-8326,
