

# BHA - H&SS CONCENTRATIONS

## Humanities and Social Sciences (H&SS) Concentrations

Each student meets individually with an H&SS Academic Advisor to design a 54-unit H&SS concentration based on existing H&SS majors /minors, or by creating a self-defined interdepartmental concentration. Each student must complete an H&SS Concentration Form (with signature of H&SS Academic Advisor) and return to MMC107. This form is kept in the student's file. It is recommended that a student complete this form at the end of their first semester sophomore year.
