Conversation: International Relations newsletter

Dear International Relations student:

It is with sadness that I announce that I will be leaving Carnegie Mellon University at the end of June for a position at the University of Illinois, Urbana-Champaign. After the end of June, Professor Kiron Skinner will take over my duties temporarily.

I have really enjoyed working with all of you over the past year. Please feel free to keep in touch with me: I will be in my office at CMU until the end of June. I don't yet have an email account at the University of Illinois, but I'm sure by September you can find me on the UIUC website.

I wish all of you all the best in your academic endeavors. Have a great rest of the summer.

Sincerely,

Laura Hastings

Announcements

SUMMER IS THE BEST TIME FOR STUDENTS TO WORK ON A FULBRIGHT APPLICATION. The Fulbright website is: <https://us.fulbrightonline.org/home.html>
The Fulbright U.S. Student Program provides an unparalleled opportunity to teach, study and conduct research in 155 countries worldwide. **Fulbright student grants aim to increase mutual understanding among nations through educational and cultural exchange** while serving as a catalyst for long-term leadership development.

Our campus Fulbright deadline is September 20, 2007. This grant applies to rising seniors through Ph.D. students (as long as they have not yet received the terminal degree in their field). Also, you may be surprised to learn that Fulbright offers Special Program Opportunities including **Business Grants, English Teaching Assistantships, mtvU Award, and Language Training Initiatives** amongst others. Please take a quick look https://us.fulbrightonline.org/thinking_type.html.

Eva Mergner (em43@andrew.cmu.edu), Charlene Castellano (cc62@andrew.cmu.edu) and Judy Zang (jzang@andrew.cmu.edu) are Carnegie Mellon's Fulbright Fellowship Advisors. Students who are interested in applying should contact Eva Mergner or Judy Zang immediately for preparation instructions and detailed information about the campus application process. We are available most of the summer to assist students in refining an idea, strategizing project proposals, and reviewing essays. Again, the earlier they start, the better.
