Institutional Research and Analysis

**Rationale:** No more than one major survey per semester

ADV and SES need to be end-of-year, SARV, Healthy U, and DaSH do not

Each student will have the opportunity to complete each non-academic experience survey (SARV, Healthy U, DaSH) at least once in their career

Each student will have the opportunity to complete the SES at least once in their career

Each student will have the opportunity to complete the advising survey at least twice in their career

Each student will have the opportunity to participate in at least one longitudinal study in their career
