Institutional Research & Analysis

Campus Community,

The Carnegie Mellon University Factbook is a compilation of commonly requested data and statistical information about Carnegie Mellon. It includes information about students, alumni, faculty, and staff. The Factbook may be used to find information on admissions, enrollment, teaching, research, and university finances and facilities. The Factbook also provides useful comparative data from other universities. The data presented in the tables and graphs are from internal sources except where noted. The terms used are defined on the introductory page of each section and also in the appendix.

The Carnegie Mellon University Factbook is produced annually for use by members of the campus community and is intended primarily as an internal document. Factbook readers are encouraged to bookmark this document and use it as a reference. This publication is available on the Institutional Research & Analysis (IR&A) website located at **http://www.cmu.edu/ira/.**

IR&A would like this book to be a reliable source of accurate and useful information. Suggestions and comments on the contents, format, and usefulness of The Factbook will help with the continual improvement of this information tool. Please feel free to contact IR&A at **ir-a@andrew.cmu.edu** with any questions or suggestions regarding this report.
