Faculty and Staff

Data Source:

The data used for the faculty and staff section of this book are from the Human Resources Information System. The following summaries include headcounts and full-time equivalency (FTE) totals for faculty and staff on active or paid leave appointments as of the last fiscal day of October. The summaries do not include individuals who were on unpaid leave, unless otherwise noted.

Endowed Professorships by College: Donor Relations

University Professors: Provost's Office

Job Categories:

A set of job categories has been employed to generate the summaries that follow. These categories were created to align with those used in the financial systems. **The Job Category of an employee is assigned on the basis of his or her primary appointment.** These definitions have been applied to historical data, allowing for the generation of trend tables with consistently assigned job categories over time. The categories are as follows:

Tenure Stream Faculty: Includes all tenured or tenure stream academic positions, specifically university professor, professor, associate professor, assistant professor, and instructor. Also included in this category are tenured or tenure stream faculty holding academic department head, or associate/assistant department head positions. Tenured or tenure stream faculty members currently holding administrative posts, such as provost, president or dean, are included in the Academic and Administrative Support Faculty category.

Research Faculty: Includes all members of the research track faculty, as defined in the Faculty Handbook. Also included in this category are research faculty members holding academic department head, or associate/assistant department head positions.

Teaching Faculty: Includes all members of the teaching track faculty, as defined in the Faculty Handbook. Also included in this category are teaching track faculty members holding academic department head, or associate/assistant department head positions.

Special Faculty: Includes all individuals with special faculty classification as defined in the Faculty Handbook, such as adjunct and visiting faculty members and post doctoral associates. Also included in this category are special faculty members holding academic department head, or associate/assistant department head positions.

Faculty Librarian: Includes all individuals with librarian/archivist faculty classifications as defined in the Faculty Handbook

Other Instructional Faculty: Includes all other instructional faculty not categorized elsewhere

Academic and Administrative Support Faculty: Includes all faculty positions in administrative and managerial support of the academic or central administrative areas. This category includes faculty members holding administrative posts, such as president provost, and dean.

Other Instructional Staff: Includes teachers in the Children's School and Cyert Center for Early Childhood Education, coaches, librarians without faculty status, and other instructional staff members

Academic and Administrative Support Staff: Includes all staff positions in administrative and managerial support of the academic or central administrative areas. This category includes staff members holding administrative posts such as vice presidents and directors. It also includes functions of central administration, enrollment and student support, human resources, and university advancement.

Technical and Professional Support Staff: Includes all positions providing technical and professional support to the academic, administrative, and research endeavors of the university

Union Staff: Includes all members of the two bargaining units represented at the university – facilities and maintenance crafts, and security personnel

Tenure Stream Faculty, Tenure Stream Employees and Faculty Rank:

In Fall of 2013 there were 676 individuals whose primary job class code caused them to be assigned to the job category of Tenure Stream Faculty. This total includes three tenure ineligible individuals. This total does not include ten administrators who are tenured (President, Provost, a Vice Provost and seven Deans). **Job Category should not be confused with Tenure Status.** In Fall 2013, there were 683 employees on active or paid leave appointments who had a tenure status of tenured or tenure eligible. Summaries for **Tenure Stream Employees** include tenured and tenure eligible employees, regardless of their primary Job Category.

Rank is calculated for each tenure stream employee using a combination of primary appointment and tenure status. The ranks are: Assistant, Non-tenured Associate, Tenured Associate, and Professor (includes University Professors). For individuals who have primary appointments which are administrative, it is not possible to calculate rank (President, Provost, Vice Provost, Deans, Associate Deans, Department Heads and Associate Department Heads). For this reason, the rank category of *Administration/Other* is used.

Hiring and Home Departments:

The Carnegie Mellon Human Resource Office defines an employee's **Home Department** as the department having the primary administrative responsibility for the employee. Faculty may have appointments in more than one **Hiring Department**, but they have only one **Home Department**. Because several faculty members have appointments in more than one department, Institutional Research and Analysis has included two types of reports for Fall 2013 faculty. The first table for Fall 2013 Faculty is Headcount by Home Department. Each employee is reported only once in his/her home department. The second table for Fall 2013

Faculty is the Full-time Equivalency (FTE) by Hiring Department. For example, a professor whose home department is Biology (MCS), but who is hired for 10% of her appointment in Biomedical Engineering (CIT), is recorded as 0.9 FTE in Biology (MCS) and 0.1 FTE in Biomedical Engineering (CIT).

Citizenship and Race Categories:

International: Faculty and staff who are neither citizens nor permanent residents of the United States, regardless of the country in which their Carnegie Mellon University employment is located

US Citizens and Permanent Residents self-identify from among these categories: American Indian, Asian, Black, Hispanic, Pacific Islander, and White

Multiracial: Faculty and staff who identify as more than one race are reported as multiracial (minority) if any race is American Indian, Black, or Hispanic; and multiracial (majority) if no race is American Indian, Black, or Hispanic

Minority: Faculty and staff who identify as American Indian, Black, or Hispanic are reported as minorities

Female and Minority Employees:

These counts are not mutually exclusive; for example, a Hispanic female is counted as both a female and a minority.

Other Academic and Admin Units:

These counts include faculty in non-college divisions, such as President's Office, Provost's Office, Provost Administration, and University Libraries.
