- [Space Telescope Science Institute - \(STGMS\)](#)

Electronic Initiatives

- [Grants.gov](http://www.grants.gov) - Grants.gov allows organizations to electronically find and apply for more than \$400 billion in Federal grants. Grants.gov is THE single access point for over 1000 grant programs offered by all Federal grant-making agencies. The US Department of Health and Human Services is proud to be the managing partner for Grants.gov, an initiative that is having an unparalleled impact on the grant community.
- **Space Telescope Science Institute (STSCI)** - [Space Telescope Grants Management System \(STGMS\)](#).
- **Department of Education** – [e-Application](#)
- **Department of Justice (DOJ)** - [OJP Grants Management System](#). This system only allows one login ID per institution, so OSP will work with all PIs for the submission of proposals.
- **NASA** - [NSPIRES](#) - Supporting research in science and technology is an important part of NASA's overall mission. NASA solicits this research through the release of various research announcements in a wide range of science and technology disciplines. NASA uses a peer review process to evaluate and select research proposals submitted in response to these research announcements. Researchers can help NASA achieve national research objectives by submitting research proposals and conducting

awarded research. This site facilitates the search for NASA research opportunities.

- **Commonwealth of PA** (Department of Community and Economic Development) - [Single Application for Assistance](#). Applicants can apply for financial assistance from the Department's various funding sources online. This system only allows one login ID per institution, so OSP will work with all PIs for the submission of proposals.
- **Office of Naval Research (ONR)** - ONR currently has plans to roll out the next portion of their on-line portals.
- [Inter-Agency Electronic Grants Committee \(IAEGC\)](#)
- **Lockheed Martin** - Trading Partner Management System - Effective immediately, Lockheed has instituted an new system so we can provide them with our latest commodities and capabilities. As of today, this system starts once a proposal has been approved. The Purchase Order will be issued on-line with all subsequent invoicing being done electronically.
- **United States Department of Agriculture (USDA)** - Beginning August 1, 2002, transmittal of a cover letter for each award will be eliminated. Instead, the awardees organization will receive one copy of the Award Face Sheet (Form CSREES-2009 and the approved budget (Form CSREES-2004) for each award. They will no longer provide additional copies of the documents for distribution at the awardees organization. They will send the award documents only to the Authorized Organizational Representative indicated on the Proposal Cover Page (Form CSREES-2002). In addition, the award [terms and conditions](#) will be made available on the [CSREES homepage](#) so that awardees may have access to the electronic versions. Paper copies of the [terms and conditions](#) will no longer be sent.
- **Department of Energy - Implementation of the [Industry Interactive Procurement Systems \(IIPS\)](#)** –
