**BIKE LOCKER APPLICATION
APPLICATION FORM**

PARKING SERVICES OFFICE USE ONLY

Name

Social Security Number

Department

Local Address

Daytime Phone Number

I hereby apply for a Carnegie Mellon bike locker permit. I acknowledge that I have received a copy of the Parking Rules, Policies, Procedures and Regulations. I understand that my application will be included in this year's parking application process.

I will not be in the application process if:

- I omit any entries requested on this form
- I do not have an active Payroll/Personnel or Student record at Carnegie Mellon
- I owe other monies to Parking Services
- My application reaches Parking & Transportation Services after the **Allocation Process Due date.**

Bike Locker Information

Lockers are nontransferable. Lockers can only be used in combination with the vehicle to which they are Registered.

There are bike racks available throughout the campus for bike storage, and Parking & Transportation Services has individual bicycle lockers for use by those who have a bicycle on campus, or for those who would like to commute to campus by bicycle. The lockers are made of steel and totally enclose the bicycle. There is also room for your helmet, riding shoes, etc. Eight lockers are available near Newell Simon Hall to anyone that holds a current bicycle registration (sticker on the bike). If your bike is not registered you may register for free with the Campus Police Department located in 300 S. Craig Street. *Payment:* Rentals are \$35.00/year, plus a \$5 key deposit, which will be refunded when you finish using your locker at the end of the rental period upon returning the key. The locker can be renewed for next year. If you would like to rent a locker please stop and speak with an associate from Parking & Transportation Services or call 268-2052.

Do not send payment with application. Payment is due upon receipt of permit.
