

There are two different types of U-Permits available to vendors with a reasonable need to have access to any Carnegie Mellon parking lot:

- Vendor mini-universal for deliveries (30 minute time limit in lots; parking only in ECG or Morewood)
- Vendor universal for parking (no time limit; but restricted in Fine Arts, Warner, and Porter/Wean)

**Please describe your request for a permit in the space at the bottom of this application.**

Requests for permits will be reviewed and notification will be made when you receive your parking permits in July.

To request a permit for this year's parking allocation, please complete the notice at the bottom of this application. Return to the Parking & Transportation Services Office, located in the lower level of the University Center as soon as possible.

---

PERMIT REQUEST

- Vendor Mini-universal (deliveries) \$1,370  
 Vendor Universal (parking) \$2,480
