Monetary Policy Expert Allan H. Meltzer Dies at 89

Internationally renowned economist and CMU Professor Allan H. Meltzer, author of the seminal text "Why Capitalism?" and a magisterial two-volume history of the Federal Reserve, died on May 8. He was 89.
Gloria Hill United and Mentored Thousands of Students

Gloria Hill, former assistant dean of the Dietrich College and director of the Academic Advising Center who championed diversity and inclusion at CMU, died on May 3 at 70. Look for a fuller reflection on her contributions to CMU and for further opportunities to celebrate her life in a future issue of Piper Weekly.

Program Gives Staff Another View of CMU

Staff had an opportunity to see the university differently as part of “A Day in the Life,” a pilot job-shadowing program sponsored by Staff Council and Professional Development Services.
CMU Creating Touchpads With Cans of Spray Paint

Researchers at CMU are turning just about any surface into a touchpad, using tools as simple as a can of spray paint.

Staff Spotlight

From the kitchen to the garden, Frank Stanton has called Carnegie Mellon home for nearly four decades.
