New Doherty Hall Tabling Policy

In an effort to better support the academic experience and University safety protocols, the following are no longer permitted:

- **Cooking is no longer permitted** in public spaces in Doherty Hall due to fire safety and building code. Cooking is permitted in the University Center (please visit: http://www.cmu.edu/university-center/policies/foodevents/registration.html) and outside.

- **Please do not play music.** Please review the Noise Policy (http://www.studentaffairs.cmu.edu/StudentActivities/info/policies/noise.html).

- **Do not block egress pathways, department entrances, and Doherty Hall entrance**

- **Please do not use extension cords**, because this can become a tripping hazard.

Organizations can be asked to leave and remove their table if they are in violation of this policy and/or impacting classes and offices located in Doherty
