THE DESERT

PREMIERE: SEPTEMBER 6-8, 12-15/NEW HAZLETT THEATER/PITTSBURGH

CONCEIVED AND CREATED
BY COMPOSER/CHOREOGRAPHER
GRISHA COLEMAN

Experience a desert environment with live music and dance
and follow the futuristic stories of ancient species.

Ever trekked through a desert landscape, dived into sand dunes, listened to
the sound of creatures living underground? You can feel this when exploring
the synthetic desert landscape COMPOSER/CHOREOGRAPHER GRISHA
COLEMAN and her team of international artists have created.

FEATURING Grisha Coleman, Anitra Brooks, Sherwood Chen, Wendell
Cooper, Reggie Ellis Crump, Soomi Kim, and a group of skateboard artists
