Early Course Evaluation

TA _____

Course _____

The purpose of this evaluation is to help improve the course, how it is taught, and therefore to help you improve your learning. I will report back to you on the feedback I receive.

1. What are the strongest features of your TA's teaching? In other words, what contributes most to your learning?

2. What specific suggestions do you have for improvements that your TA can make?

3. Is the TA's pace:
too fast just right too slow
