# **Leading Innovation at Bank of America**

**Thursday, January 29, 2009**  
**4:30pm**

**Adamson Wing**  
**136A Baker Hall**

Matt Calman, Senior Vice President and Innovation Executive at Bank of America, will discuss the practicalities of leading innovation in a large company and the human empowerment systems needed to free up creativity.

Co-sponsored by the Engineering and Technology Innovation Management Program
