

### BME Research

- 42200/42300/42400 are offered in the fall and spring.
- Must pertain to the students BME track "for it to count as an additional elective".
- Students need 9 units per research experience or a total of 9 units of research experience (can be a combination of multiple semesters) for research to count as an additional elective.
- A letter grade of C or better is required.

**Directions:** Complete the form and submit it to your Research Advisor for signature. Electronic signatures are acceptable. Submit the signed form to Kristin Kropf ([kgaluska@andrew.cmu.edu](mailto:kgaluska@andrew.cmu.edu)) **and** Rachelle Palchesko ([rachelle@andrew.cmu.edu](mailto:rachelle@andrew.cmu.edu)) to be registered for research units. Changes to research units and/or research advisor must be reported to the Research Advisor listed on this form **and** your Academic Advisor.
