## **HOLLY ZIMMERMAN**

**PROGRAM:** BME MS PRACTICUM  
OPTION

**HOME TOWN:** FORT WAYNE, IN

---

### **PRACTICUM OPTION**

Tissue Engineering Course

### **CONTACT**

[hnz@andrew.cmu.edu](mailto:hnz@andrew.cmu.edu)

Office Hours: Fridays, 1-2PM EST

### **HOBBIES**

Listening to music (used to play music on clarinet), talking to family, playing games, or watching videos

## **LEARN ABOUT CMU BME AMBASSADORS**

### **FAVORITE THING ABOUT BME DEPARTMENT**

Research and classes available related to cardiovascular engineering and tissue engineering.

### **FAVORITE THING ABOUT CMU**

The buildings.

### **FACTS NEW STUDENTS MAY NOT KNOW ABOUT PITTSBURGH, CMU, OR BME**

The first complete skeleton of a Tyrannosaurus Rex is in the Carnegie Museum of Natural History.

### **WHY I PICKED CMU FOR MY GRAD STUDIES?**

I picked CMU because it's within driving distance, in a climate that I'm used to, and has research in tissue engineering.

### **LONG TERM CAREER GOALS**

My goal is PhD in Biomedical Engineering or Tissue Engineering and do research in Cardiac Tissue Engineering.
