The Olitsky Family Foundation Career Readiness Program at CMU offers career and professional development opportunities for students with cognitive and emotional differences.

Join us on September 11th & 12th for a FREE, TWO-PART EVENT designed specifically for our employer-partners and college students in the Pittsburgh area.

**Employer Training Seminar**
Tuesday, September 11th, 11am-2pm, CUC Studio Theater
This is a must attend event for companies and individuals interested in enhancing their diversity and inclusion hiring efforts. Learn from a panel of employers, Pittsburgh's Office of Vocational Rehabilitation, and executives from SAP, as they share how their organizations have taken steps toward enhancing their diversity hiring and retention strategies, specifically for individuals with diverse needs.

Then, participate in a discussion around how we, as a community, can support these initiatives, engage in real-world practice scenarios and bring creative solutions back to your respective organizations. **Food will be provided.**

**Student-Employer Connect Event**
Wednesday September 12th, 8:30 – 10am, CUC Danforth Conference Room
Students from universities in the Pittsburgh area are invited to engage in a unique opportunity to connect and network with employers in a structured environment.

What is our goal?
To break down the barriers-of-entry for students with emotional and cognitive differences in their career-search process.

The program takes a unique, 3-pronged approach by engaging our 1) students, 2) local campus community and 3) employer partners in various events to achieve long-term, sustainable success for our students.

**Program Components:**
- 1-on-1 Student Coaching
- Career Readiness Series
- Campus Partner Education & Training Sessions
- Employer Training Session
- Student-Employer Connect Event
