Campus Partner Education & Training Sessions

The Olitsky Family Foundation Career Readiness Program at CMU offers career and professional development opportunities for students with cognitive and emotional differences.

We invite our campus partners (faculty, staff, counselors, and advisors) to attend a two-part series that is designed to educate our campus community on the needs of this unique population of exemplary students and provide hands-on opportunities to learn how to best coach and support our students.

Session #1: Strategies for coaching and advising students with cognitive and emotional differences
September 28th, 10am-12pm, CUC Rangos 3
Develop strategies to implement when coaching our students with cognitive and emotional differences. Work alongside your department to explore how you, as a team, can respond and implement these techniques. Group discussions and practice scenarios, led by Becky Melville (Disability Resources) and Megan MacGillivray (Student Affairs).
REGISTER HERE

Session #2: Strategies for coaching students with cognitive and emotional differences
October 19th, 10am-12pm, CUC Connan Room
Hear from a panel of resources found both on and off campus to utilize when supporting our students with cognitive and emotional differences. The session will include a Q&A format to provide attendees the opportunity to learn from our partners in the Office of Disability Resources, Student Affairs, Counseling and Psychological Services, and Evolve Coaching.

What is our goal?
To break down the barriers-of-entry for students with emotional and cognitive differences in their career-search process. The program takes a unique, 3-pronged approach by engaging our 1) students, 2) local campus community and 3) employer partners in various events to achieve long-term, sustainable success for our students.

Program Components:
- 1-on-1 Student Coaching
- Career Readiness Series
- Campus Partner Education & Training Sessions
- Employer Training Session
- Student-Employer Connect Event
