

# THE OLITSKY FAMILY FOUNDATION **CAREER READINESS PROGRAM** AT CARNEGIE MELLON UNIVERSITY

## **Campus Partner Education & Training Sessions**

The Olitsky Family Foundation Career Readiness Program at CMU offers career and professional development opportunities for students with cognitive and emotional differences.

We invite our campus partners (faculty, staff, counselors and advisors) to attend an educational and practical workshop, designed to 1) educate our campus community on the needs of this unique population of exemplary students and 2) provide hands-on opportunities to learn how to best coach and support our students.

## **Autism & Neurodiversity Competency Training**

**Wednesday, October 23rd, 9:30am-10:30am**  
**Danforth Conference Room, CUC**

Discuss and develop strategies to implement when working to support students with cognitive and emotional differences. This workshop will be open to staff, faculty, and employers, thus allowing you to network, learn, and support each other based on various occupational perspectives. Educational materials, practice scenarios, and group discussions will be included.

**Refreshments will be provided.**  
**RSVP to [atavares@andrew.cmu.edu](mailto:atavares@andrew.cmu.edu)**

## **What is our goal?**

To break down the barriers-of-entry for students with emotional and cognitive differences in their career-search process. The program takes a unique, 3-pronged approach by engaging our 1) students, 2) local campus community and 3) employer partners in various events to achieve long-term, sustainable success for our students.
