Hello Jack,

Greetings from Hire Experts Solution

Hire Experts Solution is a pioneer in IT Staffing specializing in business consulting, project management, technology consulting, technology training and analytics. We count **Fortune 500+** companies all over USA among our vast clientele.

In an industry that is experiencing a rapid growth**, Hire Experts Solution** is offering its extensive and industry oriented placement program. Our prolific and assiduous teams of experts are striving towards providing you the optimal employment opportunities by collaborating with leading organizations worldwide. For more information, you can refer to our official website *www.hireexpertssolution.com.*

Currently we are hiring candidates **(with valid Work Permit)** who can fulfill the project requirements of our clients.

Salary: - **$70000- $75000** per year (Full Time)

　　　　$35000- $40000 per year (Part time/Internship)

(Salary will be negotiable depending on experience & location. Salary will not be constraint for the right & deserving candidate).

 Job Title: -**Java Developer/ Business Data Analyst**

Location: - Open (As per your preference)

Type of Employment: - Full time / Part time/ Internship/ Remote work

Benefits: - As an employee, apart from salary, you are also entitled to get the following benefits during your project:

- Performance assessment will be done in every six months.

- Minimum 15% increment will be applicable as per your performance after every six months.

- Relocation charges will be provided to you during your project.

- 14 days of yearly paid leave will be provided during your projects.

- Working with billion dollar projects of fortune 500+ blue chip clients.

- Health and medical benefits will be provided during projects which include:-

1. Medical, Dental and Vision benefits after 60 days of employment.
