

Mock Interview Assignment: Big Interview

Overview of Big Interview: Interview Preparation and Virtual Mock Interview Resource

[Big Interview](#) is an online system that combines training and practice to help improve your interview skills and build your confidence. You have a variety of tools available including:

- Challenging, virtual mock interviews for all experience levels and dozens of industries
- A database of thousands of interview questions with tips on how to answer them
- A comprehensive video training curriculum covering all aspects of landing a job
- A step-by-step interview Answer Builder for crafting answers to behavioral questions

The platform allows you to prepare for one-way, recorded interviews (you may encounter this style of interview as part of the screening/interview process) in addition to behavioral and screening interviews that may be in-person or virtual.

Virtual Interview Practice – Mock Interviews

To access the mock interview assignment interviews: Log into [Big Interview](#), click "Interviews" at the top, followed by "Interview Assignments" and insert one of the assignment codes below to start practicing interview questions.

Assignment Option #1: Initial Interview/ Phone Screen---- Code: 860793

Assignment Option #2: Behavioral Interview – Teamwork/Collaboration, Leadership and Communication---- Code: 17d665

Assignment Option #3: Behavioral Interview - Problem Solving, Critical Thinking, Innovation/Creativity---- Code: a8478f

To record your responses and ensure the AI can provide you with meaningful feedback, you will need to give Big Interview access to your microphone and camera and follow its directions for calibration.

At the conclusion of your interview, follow the directions of your instructor to submit documentation of the completed interview by either taking a screenshot of the AI Feedback/completion page OR sharing the interview with them following the prompts in Big Interview (see directions below for sharing an assignment).

- *Share a completed assignment in Big Interview:* To share from Assignments, click the up arrow and enter the email addresses of people you wish to review your videos.

Additional Features and Interview Preparation Information

- [Interview Curriculum](#) - video lessons on a variety of topics, including Video Playbooks for special populations (LGBTQIA+, disabilities, career change, etc.)
- [Build Your Answer](#) - this tool will help you craft stories to answer behavioral interview questions using the STAR (Situation, Task, Action and Results) method.
