The Carnegie Mellon University Undergraduate Class of 2017 rocketed out of campus and into the next phase of their career journeys! Many launched careers at impressive organizations while others continued their education at CMU and other prestigious universities across the country. Inside this pamphlet, see where the 2017 class landed and how they embarked on their journeys to success.

Career Journeys 2017

The CPDC would like to acknowledge the following organizations for their continued support as Platinum Level Career Partners:

As of December 2017
