

Small Grant Follow-Up Report

SECTION 1 - PERSONAL INFORMATION

Full name :

Email Address : CMU Andrew ID :

Position/Title : Doctoral Student Junior Faculty Other

Division/School/Department :

SECTION 2 - PROJECT DETAILS

Project Title :

Reporting Period : From To

Oracle String Number :

Project Status :

Total Project Cost to Date : \$

Please list all funding sources for your project :

1.
2.
3.
4.
5.

Were all funds provided by the CBDR used? : Yes No

Please list all contributors of your study :

1.
2.
3.
4.
5.

SECTION 3 – RESEARCH SUMMARY

Describe the significance of your research as well as the overall goals of your project. Additionally, clearly state your research question and hypotheses.

SECTION 4 – RESEARCH STATUS

Indicate the current status of your study and how your research has progressed. Be sure to comment on the activities described in the timeline of your original research protocol and whether they were completed. If aspects of your timeline were not completed, please explain why.

SECTION 5 – CURRENT TIMELINE

Specify which aspects of your research are still in progress and what your timeline moving forward looks like.

SECTION 6 – RESULTING GRANTS, PUBLICATIONS, and PRESENTATIONS

Please state whether any grants, publications, and or presentations resulted from your study.

SECTION 7 – CHALLENGES EXPERIENCED

Describe any challenges you encountered during the progression of your research. What were those challenges and how did you adjust your research to move forward?

SECTION 8 – BUDGET REPORT

Report your project expenses, stating how CBDR funds were used and how you covered (or plan to cover) any additional expenses that were not provided by your Small Grant.
