2018 RANKINGS
CIVIL
UG 12 // GRAD 10
ENVIRONMENTAL
UG 8 // GRAD 8
Source: U.S. News & World Report

44% of CEE students are women
59% Undergrad Women
39% Graduate Women

AY 2017-18
Bachelors Students 96
Masters Students 197
Doctoral Students 78

Total Annual Externally Sponsored Research
$5.89M

OUR FACULTY
14 Full Professors
4 Associate Professors
6 Assistant Professors
5 National Academy of Engineering Members
3 Active
2 Emeritus

3 FACULTY WITH ACTIVE NSF CAREER AWARDS

EDUCATION & RESEARCH AREAS

Advanced Infrastructure Systems (AIS)
Smart / Connected Cities
Intelligent Transportation Systems
Information & Communications Technologies
Building Energy Management
Structural Health Monitoring

Environmental Engineering Sustainability & Science (EESS)
Air and Water Quality
Climate Change Adaptation for Infrastructure
Sustainable Design
Remediation
Urban Water Systems
Energy and the Environment
Environmental Nanotechnology

Mechanics, Materials and Computing (MMC)
Modeling & Computer Simulation of Complex Physical Systems & Phenomena
Practical Application of the Emergent Complex Behavior of Materials
Design of New, Resilient Materials & Structures
.89M

Total Annual Externally Sponsored Research
