

DALCROZE ENTREPRENEURSHIP: Building a Community Program

A six-week short course with
Emma Shubin (Luxembourg/USA) & **Weronika Balewski** (USA)

Embark on a transformative 6-week journey to become a Dalcroze Entrepreneur and pave the way to establish your own vibrant community music program. This comprehensive course will empower you to build, create, and sustain engaging Dalcroze-based programs for children and the communities that surround them.

During **Sessions 1-4**, participants will dig into the nuts and bolts of creating a vibrant and sustainable program and will engage in reflection and brainstorming assignments. In **Sessions 5 and 6**, they will present their ideas, receiving valuable feedback from both the group and instructors. This personalized approach ensures that each participant's unique questions are addressed in greater detail.

Weronika Balewski and Emma Shubin, with a combined 20 years of experience in the Dalcroze community, are passionate about creating opportunities for teachers and increasing accessibility to this approach across diverse communities. Through their work at Integral Steps in Colorado and Massachusetts, they have successfully implemented various approaches to partnerships, registration, scheduling, and funding, serving thousands of students and families over the past 12 years. Integral Steps currently offers year-round programming for ages 0-18 with over 25 weekly classes and 3-6 weeks of summer camps; community events and partnerships with local schools and organizations; as well as educational opportunities for teachers.

The **Short Course Series** is offered by **Integral Steps** in partnership with the **Virtual Dalcroze Meet-up** (VDM). Like the Virtual Dalcroze Meet-up Masterclass Series, the Short Course Series allows students from all over the world to meet and work with outstanding teachers from the international community without incurring the cost of travel and residency.
