

This form is used to **declare** a student in an All But Dissertation status once a doctoral student has completed all degree requirements except for dissertation. Students may be considered either *In Residence* or *In Absentia*. In most cases, All But Dissertation status *In Absentia* is not a permissible status for international students. International students are required to consult their home department and the Office of International Education to see if they qualify for All But Dissertation *In Absentia* status. Reference the university policy on doctoral student status: [www.cmu.edu/policies/student-and-student-life/doctoral-student-status.html](http://www.cmu.edu/policies/student-and-student-life/doctoral-student-status.html).
