WHEN I GROW UP...

Games can help us think about the future.

1

It's 2035, and you're a grownup. How do you spend your day?

2

Would you have a co-bot? What would they help you with? What can they do?

3

Tell us about your future with co-bots by leaving us a message on the app!

YOU CAN USE THIS SPACE TO WRITE DOWN IDEAS!

REMEMBER!

A co-bot is a robot designed to work closely with humans. That means they have to share space with humans and work together.
