

Accessing the CMU Guest Wireless Network

Welcome to Carnegie Mellon's guest wireless service! You will need your event access code and your valid non-CMU email address.

1. Connect your Wi-Fi enabled device to the CMU-GUEST wireless network.
2. Browse to any web page; you will be redirected to the guest wireless service page.
3. Enter a valid (non-CMU) email address and your event access code.* *Only one session is allowed per email address.*

5. Accept the terms of use and click **Log In**.

You will be redirected to the web page originally requested.
At this point, you are free to browse to other web sites.

Note: If your wireless connection to CMU-GUEST times out, re-enter your email address and access code to re-connect. To speed network access when you start or wake your computer, you may want to make CMU-GUEST your preferred network in your device network settings for the duration of your visit.

Accessing the CMU Guest Wireless Network

Welcome to Carnegie Mellon's guest wireless service! You will need your event access code and your valid non-CMU email address.

1. Connect your Wi-Fi enabled device to the CMU-GUEST wireless network.
2. Browse to any web page; you will be redirected to the guest wireless service page.
3. Enter a valid (non-CMU) email address and your event access code.* *Only one session is allowed per email address.*
