Examples of common pricing models are provided below based on the annual price per unit rates.

Description	vCPUs	Memory	Disk	Annual Fee
Small Virtual Server	1	2 GB	Solid state, 40 GB	\$106.16
Medium Virtual Server	2	4 GB	Solid state, 40 GB	\$134.11
Large Virtual Server	4	8 GB	Solid state, 40 GB	\$157.65

Campus Cloud Plus

Due to the custom nature of the operating system management and database administration services provided with Campus Cloud Plus, a consultation is required to provide accurate pricing, however, the component rates are included below. The first rate table is for annual costs, with the second including one-time charges. The underlying machine costs are the same as for Campus Cloud as shown above. Physical machines are charged physical-colocation rates in addition to these charges.

Item	Annual Price Per Unit
Charge Per Machine (Automated Maintenance)	\$216.41
Charge Per Machine (Quarterly Manual Maintenance)	\$720.10
Database Management: Microsoft SQL Server (Shared System)	\$55.94/GB
Database Management: Microsoft SQL Server (First System)	\$929.88

Item	Annual Price Per Unit
Database Management: Microsoft SQL Server (Each Additional System in Cluster)	\$232.47
Database Management: Oracle or MySQL (Each System)	\$881.60
Physical Surcharge (Physical Machines Only)	\$77.49

Item	One-Time Price Per Unit
Setup Charge	\$154.98/Machine
System Administration Extra Work (Business Hours)	\$38.75/Half Hour
System Administration Extra Work (After Hours)	\$58.12/Half Hour
Database Management Extra Work (Business Hours)	\$55.10/Half Hour
Database Management Extra Work (After Hours)	\$82.65/Half Hour
Database Management: Microsoft SQL Server Setup (Shared System)	\$154.98/DB
Database Management: Microsoft SQL Server Setup (Dedicated System)	\$581.18/DB
Database Management: Oracle or MySQL Server Setup (Dedicated System)	\$661.20/DB
