

City of Pittsburgh – Online Event-Related Forms

Procedure effective 2015

Online event-related transactions have been approved by UCO, and can be processed without further UCO involvement. Please consider this as the authorization to proceed with the online transaction and payment.

Additionally, the City of Pittsburgh has made changes to its Park Shelter Permitting Procedures. In 2015, they will be accepting online applications on a first-come, first-serve basis. By using this link, <http://registerparks.pittsburghpa.gov/>, you will be able to reserve a shelter for your event. Please consider this as the authorization to proceed with the online transaction and payment.

This Approval Statement can be used for PRC verification.
