CMU Student Intern  
Elise Hoffman

One of the murals created in collaboration between CMU students and PPS students. Following the art exhibit, the murals will be on display at CMU.

## EXECUTIVE REPORT

AG is still hard at work providing quality programming for its partners. Students will continue to attend classes and wrap up projects into June. We are happy to report record-breaking numbers for AY 2021-2022. This growth demonstrates the impact and success of our on-site model of community-centered work.

### Newest Partner: Northgate School District

This spring AG launched a partnership with Northgate School District Middle School using our newest curriculum "Illustrating Us." Students in 7th-8th grades created graphic novels, emphasizing self-reflection through storytelling and illustration.

### CMU Pittsburgh Alternative Break

AG hosted a CMU alternative spring break service project focused on art and justice. CMU students collaborated on a mural project, recreating Schiller STEAM Academy AG's students' small designs into large wall-hangings, which were taken back to to AG students to paint.

### Team Updates

This spring, Marlon Fullenwider joined AG as a teaching artist. Marlon is an accomplished practicing and teaching artist and has provided out-of-school time programming for The Andy Warhol Museum, Mattress Factory, and the Heinz History Center.

## 2021-2022 BY THE NUMBERS

### 4 COMMUNITY PARTNERS

Homewood Children's Village, Manchester Academic Charter School, Northgate School District, Schiller STEAM Academy
